**VOLUNTEER
ACTIVITIES**

Student Representative in the Information Resources Committee, 10.2000-05.2004
American University in Bulgaria, Blagoevgrad, Bulgaria.

This committee establishes the IT strategy of the university and prioritizes the IT spending budget. As a student representative my tasks included:

- representing the students' interests in the planning of IT strategies and budget priorities;
- work out solutions to improve the IT resources available for students;
- mediate conflicts between students and administration regarding IT resources.

More Honors Academy, 10.2003-05.2004

Creating digital video and multimedia content for the annual More-Honors Ceremony of the American University in Bulgaria. Tasks included:

- directing, shooting, digitally editing small skits and video clips
- in charge of the audio-video equipment operations during the ceremony.

Treasurer, AEGEE Blagoevgrad, 03.2001-03.2003.

Local branch of the European Students Forum, Blagoevgrad, Bulgaria.

- in charge of managing the funds of the organization, drafting the budget and supervisor of the fund-raising committee;
- head of the IT working group of the organization.
